INTERMEDIATE P.-T. A.

SPEAKER DISAPPOINTS AND
SUPT. R. D. WHITE DISCUSSES
CIVIC CENTER

The regular monthly meeting of the Intermediate Parent-Teacher Association was held Monday afternoon, at the school building, with Mrs. Blake Franklin, president, in the chair.

The indisposition of Judge Sidney Reeves of the Juvenile Court, who was the announced speaker for the afternoon, and who was forced to send his regrets, was disappointing to the members, but a splendid meeting was enjoyed by all present.

The report of the picture show revealed receipts of \$75 of which the Athletic Association of the Intermediate will receive \$54 to be used in purchasing paraphernalia, the balance remaining in the Association's treasury. An unanimous vote of thanks was tendered Robert Jensen, Manager of the Palace Grand, who has ever been generous to the P.-T. A.

Supervisor R. D. White explained the civic or "community" center and the audience not only appreciated the explanation but developed great enthusiasm for the plan.

Miss Ruth Morton, a pupil of the school, gave several impromptu but very fine piano selections which were the more enjoyed because unrehearsed.

Miss Eva Daniels was named as the Association's delegate to the convention of Parent-Teacher Associations to be held in Los Angeles next week Thursday and Friday, April 24th and 25th. Mrs. Franklin urged all the ladies present to attend the convention if possible.

Miss Noble told of the "Americanization" class she is conducting at the school and asked the ladies to spread the knowledge of the class that more aliens might take advantage of it.

Mrs. John Robert White announced a garden party and sale to be held by the P.-T. A. Federation May 14th, at the home of Mrs. Ella Richardson.

PITTSBURG SOLDIER LIKES CALIFORNIA

A fine, happy-looking soldier, Private Frank A. Miller of Pittsburgh, is the guest of his sister, Mrs. W. E. Hewitt, of 1028 North Louise street, this city. He saw service with the American troops brigaded with the British in France and later was in the Argonne drive where he was so badly gassed that he was sent to the hospital for three months. He received his discharge in the East, but decided to come to California and visit his sister before settling down to work again and he likes California so much he is tempted to remain if he finds the right kind of a job. He was with a Security Bonding Company in Pittsburgh before he entered the war.

EASTER LUNCHEON

Mrs. Rebecca Lacy of Highland Park, a former resident of Glendale, entertained old friends here with a turkey luncheon featured by Easter suggestions, last Friday. Covers were laid for 12 and at each plate was a little nest basket containing candy eggs and guarded by a rabbit carrying the place card. The hostess was assisted by her daughter, Miss Jennie Lacy, and her guest list included: Mrs. Ed Lee, Mrs. Henry Johnston, Miss Dorothy Lee, Mrs. Hattie M. Johnston, Mrs. Genevieve Goss, Mrs. Irving Smith, Mrs. Emma Burkett, Mrs. Belle Isgrig, Miss Collins of Los Angeles but formerly of Glendale, and Mrs. Miller of Highland Park.

TO SPEAK FOR VICTORY LOAN

Leslie Henry, who became so well known throughout this section of the state through his work for the various Liberty Loans, will speak for fifteen minutes this evening at the mass meeting at the High School for the Victory Loan.

P. E. LOCAL BUSINESS

FREIGHT RECEIPTS AND TICKET SALES INDICATE INCREASING PROSPERITY

Members of the office force of the P. E. Station in Glendale report that local business is improving all along the line. More shipments are coming than for some time in the past and more tickets are being sold, particularly the coupon books. The public is traveling more. This is noticeable also in the sale of Southern Pacific tickets which are larger than ever before since that department was added to the local office.

NEW KINDERGARTEN

ONE-ROOM BUNGALOW SCHOOL
BUILDING FOR PACIFIC AVENUE
CAMPUS

The growth of the Pacific Avenue School has been such that the school room which has been used for kindergarten classes is now needed for the grade work. That it might be available the Board has been renting a bungalow in the neighborhood for the kindergarten, but has finally decided to build a one-room kindergarten on the school grounds and to Chas. W. Kent & Son has been awarded the contract. As soon as papers have been drawn and signed, work will begin.

The kindergarten at the Colorado School has proved such a success that it will be the general model for this one. That, it will be remembered, was a converted summer house. The open spaces in the walls were filled half with glass and half with canvas for the purpose of converting it into an open air room when the weather is propitious and also for closing it when need be against cold and storm. Teachers who have used it are enthusiastic and it is found that the abundant fresh air keeps the children in such fine physical condition that the Board is encouraged to follow the same general plan with this one which is to cost but \$935.00.

GOES BACK TO OLD JOB

T. V. Philp arrived in Glendale last Friday for a brief visit to his parents, Volney Philp and wife, 221 North Orange. He has been at Kelly Field, No. 2, San Antonio, Texas, specializing on assembling parts and repairing 400 h. p. Liberty motors for aeroplanes. He and 90 other expert mechanics were to start for France the very day the armistice was signed. He goes to Chicago soon to go to work at his old job of manager of the garage of the Chapell & Co. Ice Cream Co., one of the biggest in the country. He enlisted Dec. 1, 1917, while working for that company. His boss went down to San Antonio the first of the year to ask for his discharge as the firm needed him.

DEATH OF CAROLINE L. BAKER

Caroline L. Baker, who passed away April 10, 1919, at the home of her daughter, Mrs. R. D. Hall, of 704 East Windsor Road, at the age of 88, was born September 24, 1830, in Cayuga county, New York.

Funeral services over her remains were held Saturday, April 12th, at Jewel City Undertaking Parlors with interment at Rosedale Cemetery, Los Angeles. She was the widow of Samuel F. Baker to whom she was united April 10th—just sixty-eight years prior to her death, her husband having died in August, 1888. Nine children were born to them, three of whom survive, Louie A. Elliot of Arlington, Kan., Fannie S. Hall and Samuel F. Baker, both of Glendale. Eight grand-children and six great-grand-children also survive. In 1911 she came to Glendale where she has ever since resided, dividing her time between the homes of her son and daughter. She united with the Episcopal Church at Garden Grove, Iowa, in 1890, of which church she was a member at the time of her death. Funeral services were conducted by Rev. Cornell, rector of St. Mark's Episcopal Church of Glendale.

DEVASTATED FRANCE DRIVE

At the High School Assembly Monday reports submitted on the campaign for Devastated France showed receipts which put Glendale way over the top, her quota being \$500.00. So far as known Glendale High is the first school to take entire charge of a Nation-wide drive. The manager for Southern California asked that a record of expenses be kept, but there have been no expenses connected with the drive, the returns being clear. The drive is to last until Thursday when a final report will be made.

GLENDALE WINS 17 TO 0

Another victory was won for the athletic department of Glendale High Saturday when the first of the Central League tennis games was played on the Glendale court by the local team and players from Monrovia High. On the Glendale team were Hollis Moyses, Raymond Fanset, Tommy Lyons and Ebers Slaght. Each contestant played in the singles and the doubles. The score was 17 to 0 in favor of Glendale, Monrovia not getting a single set.

The next game will be played with Citrus High on the Glendale court, but the date has not been announced.

WEATHER FORECAST: Fair to night and Wednesday.

OUTLINE OF PEACE TREATY

WILL BE HANDED TO GERMANS APRIL 25, TO BE SIGNED
BY DELEGATES OR REFERRED TO HUN GOVERNMENT

(Special Service to Glendale Evening News)

Paris, April 25.—The peace program was authoritatively outlined to the United Press today as follows:

The treaty will be handed to the Germans April 25. If the German delegates have plenary power, they will sign it immediately. Otherwise it will be left to the German government at Weimar.

Separate treaties will be presented to Austria, Turkey and Bulgaria within a few days after the Germans reach Versailles.

As soon as all treaties are signed, twenty or thirty days will be allowed for ratification by the Allied governments. When two-thirds of the Allied governments have ratified the treaties, they will become effective.

President Wilson is expected to call a special session of Congress to consider the treaty. Under the present plan the drafted form of the treaty will be presented at a plenary session of the peace conference next week. The treaty will be a lengthy document.

The military and naval terms will require about 1,000 words, the reparation question about 1,000 words, waterways and responsibility about 5,000 words each, the boundary question about 5,000 words, in addition to the League of Nations covenant and numerous other features which the treaty must settle.

JAPANESE ENVOY LEAVES WASHINGTON

SAYS HE GOES FOR CONFERENCE WITH GOVERNMENT,
BUT OFFICIAL PIQUE IS MENTIONED

(Special Service to Glendale Evening News)

Washington, April 15.—The Japanese embassy announced today that Viscount Ishii, Japanese ambassador to the United States, is returning to Japan "for a conference regarding various matters now before the Japanese government." He leaves on May 1.

The announcement is considered most significant here on account of the rejection of the Japanese racial equality claims at Paris, and in view of the numerous "difficulties" arising recently in Japanese-American relations.

Diplomatic quarters understand that Ishii has not been recalled as ambassador, but there is doubt of his return to the United States.

Tokio, Japan, April 15.—The newspaper "Asahi Shimbun" declares that Viscount Ishii is returning to Japan to resign because he is piqued over the government's failure to name him as delegate to the peace conference.

PRESIDENT THANKS CALIFORNIA SENATE

CABLES APPRECIATION OF ITS ACTION IN DEFERRING ACTION
ON ANTI-JAPANESE LEGISLATION

(Special Service to Glendale Evening News)

Sacramento, April 15.—A cablegram was received from President Wilson last night thanking the Senate for "deferring" action on anti-Japanese legislation. It is interpreted here as meaning that the President does not oppose anti-Japanese legislation on grounds other than that it is inopportune at this time.

NEW COMMANDER AT ARCHANGEL

BRIGADIER GENERAL RICHARDSON AND STAFF LEAVE
MURMANSK FOR THE PORT NAMED

(Special Service to Glendale Evening News)

Washington, April 15.—General Pershing cabled the War Department today that Brigadier General Richardson, the American commander at Murmansk, has left with his staff for Archangel, where he will take charge. It was at Archangel that American troops mutinied two weeks ago.

General Pershing's report shows that the military situation at Archangel is satisfactory and the War Department says that the morale of the American troops has been at least partially restored.

GERMANS WINNING AT PEACE TABLE

BERLIN SAYS THAT TWO MONTHS AGO THEY WOULD
HAVE ACCEPTED ANY TERMS ALLIES OFFERED

(Special Service to Glendale Evening News)

Berlin, April 15.—The Germans are becoming more and more convinced that while they have lost the war in a military sense, they are winning it in the peace conference. This feeling has developed during the last month. Two months ago they would have accepted any peace the Allies offered.

SERIOUS RIOTS IN INDIA

London, April 15.—The official report of the Viceroy of India, received today, declares that serious riots occurred in India Friday and Saturday as a result of the deportation of several agitators. At Amritsar, two banks, the town hall and a warehouse were burned and five Europeans killed. Troops then fired into the crowds, killing nine and wounding twenty-one others.

At Lahore five casualties occurred during the rioting there, and at Ahmedab the telephone office was burned.

RAINBOW DIVISION

TWO GLENDALE MEMBERS OF
CO. F REACH HOME—OTHERS
ARE ON THE WAY

Frank Littell, son of Mrs. James Graham, of 200 Dryden street, got back last week after 18 months' service with Company F of the 117th Engineers (The Rainbow Division), which did such wonderful things on the battle front in France. He was invalided home on account of illness and has been in a hospital in Virginia. He is looking eagerly for the return of his comrades in arms from this city who were with him in Company F, and who are believed to be now on the high seas on their way home. The list includes Edwin Sadler, Stanley Gorman, Douglas Balthis, Fred Burt and Ed Burlingham. They were in all the large battles and because of their distinguished service were the first organization of the army of occupation to be sent home.

Another member of the company who is almost a Glendale boy is Warner Grassell, who has visited a great deal in Glendale at the home of his grandmother, Mrs. A. N. Patterson, at Wilson and Glendale avenues, and who attended high school here four or five years ago. On account of an injury to his foot he was sent to his home in Pittsburg in advance of the other members of the company. As soon as he is sufficiently recovered, he and his mother plan to come to Glendale. He enlisted in Los Angeles, and Southern California seems home to him.

STANFORD GIRLS REUNION

Mrs. Shives Mitchell was hostess Saturday at the home of her mother, Mrs. Ella Richardson, to a number of former students of Stanford, her Alma Mater. The chief attraction was the new son of Mr. and Mrs. Mitchell, William Richardson Mitchell, who accepted the admiration bestowed upon him as his due. Girls came from several of the surrounding cities and a very happy time was spent in reminiscences of school days. A picnic lunch was served at noon.

SUCCESSOR TO MISS E. JACKSON

The place made vacant in the Intermediate School by the resignation of Miss Elizabeth Jackson is being filled happily for all concerned by Mrs. M. A. Rucker, who was a teacher in the city schools of Glendale for four years and who resigned because of ill-health last June. She has now recovered and is available to take up Miss Jackson's English work and her instruction of Grade A8, 2.

COMMUNITY SING MISSIONARY WORK

A short time ago the Evening News reported the enthusiasm awakened in the breast of Mrs. Morgan, friend of Mrs. W. A. Kulp, of Ashford, Ariz., by attending the Glendale Community Sing, and of the interest excited in the community there by Mrs. Morgan's account of the chorus work which led to the establishment of one there. It is a small desert town but the chorus there is evidently thriving for Mrs. Kulp this morning received a telegram from Mrs. Morgan asking her to order 25 song books to be sent to her C. O. D. This Mrs. Kulp succeeded in doing by telephone and the books are now on their way. The Glendale organization is thus doing missionary work in spreading the gospel of song.

The Glendale chorus will meet as usual Thursday evening with the leader present to drill in songs to be sung at the Hollywood contest. He was very much delighted with the work accomplished last time and every singer is urged to come out and get the practice and drill that Glendale may be in a position to send a big delegation to Hollywood and win a few laurels in the tournament of song.

RETURN OF THE TODD BOYS

Mr. and Mrs. John Todd are anxiously awaiting news from their two sons, Robert and Raymond Todd, who have been in service overseas with the 347th Field Artillery as wagoners. They reached New York the last of March and have since then been at Camp Merritt, New Jersey. The last letter received from them which was dated at the camp April 8th, indicated that there was a prospect they might be sent with the 363d Infantry to the Presidio at San Francisco to be demobilized, instead of coming to Camp Kearny. There are so many San Francisco boys in the 363d that they are to be sent home with all their equipment and to parade in that city which is planning a special welcome for them.

LOCAL SERVICE LEAGUE

As already announced, there will be a meeting of returned soldiers of this district at the Glendale Elks' Club House Thursday evening at 7:30 o'clock to complete the organization of a local league of service men. At that time committees appointed to draft constitution and by-laws and to perform other preliminary work are to report and it is hoped that every man who has seen service whether in the United States or abroad, will be there to learn the purposes of the organization and aid by suggestions and co-operation that the unit may be truly representative of this district and of the ideals of the men who went from here at the call of their country. Men are asked not to wait for a personal invitation from the committee, which has been unable to reach all with a direct call, but to come anyway.

ADVENTIST NEWS

Elder W. F. Martin returned from Sacramento Sunday and left the same afternoon for his home in San Diego. His daughter, Mrs. R. G. Schaffner, has been quite ill, but is now much better. Elder Martin expects to return to Glendale Wednesday. Associated with him in Sacramento in work against the Sunday closing bill was Elder W. M. Healey whose home is in San Diego. They returned together.

Elder J. W. Christian returned Sunday morning from a visit to San Francisco and Lodi in the interest of conference work.

Elder J. A. Stevens returned late last week from Utah where he conducted two conventions in the interest of the home missionary work of the church. He left immediately for Central California and is visiting churches in Bakersfield and other near-by places.

HONORING GRIZZLIES

DR. AND MRS. BRYANT ENTERTAIN MAJOR BOWMAN AND CORPORAL TITUS

Dr. and Mrs. A. L. Bryant were host and hostess at a dinner Friday evening in honor of Major William B. Bowman of Los Angeles and Corporal Louis F. Titus of the "Grizzlies." Calla lilies, scarlet carnations and blue fleur de lis were employed for the red, white and blue floral decorations which graced the affair. It was a four-course affair and covers were laid for seven, the guest list including Mrs. Josephine Emery and the Bryant family.

Major Bowman stated that in New York and on the way to France he met and became quite intimately acquainted with Lieutenant Lester Meyer, who, he declares, was a prince, one of the finest young men he ever met. His death was a real grief to the Major.

Prof. George U. Moyse has gone to Catalina to attend a convention of High School Principals and will probably be away until the last of the week.

GLENDALE, CALIFORNIA, TUESDAY, APRIL 15, 1919

LET US REASON TOGETHER

The purpose of calling a citizens' mass meeting at the High School Auditorium this evening is that citizens of Glendale may reason together on the memorial park question. An exchange of ideas serves as stimulus to any community. The attendance will be large and the interest will be keen.

A LEAGUE OF NATIONS ASSURED

There probably never was so complete a vindication of a generally condemned action as in the matter of the Senate's refusal to ratify the first draft of the League of Nations pact. Senators Lodge, Knox and Borah, and their thirty-six confreres who refused positively to consent to the ratification of the original measure because it was vague and meaningless and did not safeguard this nation's rights, were assailed with vituperation and scurrilous epithets, accused of base partisanship and low motives. But they withstood the storm of criticism and pointed out the faults of the document, with the result that a revision has been made to conform to their objections. Instead of being enemies of the President, they are shown to have been his best friends by saving him from the consequences of his ill-judged determination to force upon the country the faulty measure he championed. The amended pact meets the approval of all nations, except, possibly, Japan, and the latter country opposes only one feature, and that is the denial of race equality, which matter is left to the individual nations to decide.

GERMANY MUST PAY

The authoritative statement is made that Germany will be required to pay an indemnity of 100,000,000,000 marks, nearly \$25,000,000,000, and such other sums as may subsequently be assessed against her, the amounts to be determined when her ability to pay has been ascertained. Of this 20,000,000,000 marks must be paid in two years, without interest. The remainder will be in long-time payments.

Whenever you read an advertisement in a newspaper of some one who wishes to give free use of a piano for the storing of it, just be a little slow to consider the offer, for it is usually the cunning work of a piano agent, who takes this way of getting a list of prospective piano buyers. The Evening News has, in a state of innocence, published such advertisements, but it was much regretted that the publications were made when the real truth became known.

If you have a good idea, work it for all there is in it, and leave the other fellow who thinks he has a good idea alone, unless you can co-operate with him. Work upon your own tabernacle, and do not cross the street to pull bricks from the wall of your neighbor's tabernacle.

THE WHIRLIGIG OF TIME

Baron Rosen, who, with M. Witte, met the two Japanese peace envoys in Portsmouth, N. H., in 1905, in response to an urgent request by President Roosevelt that Russia and Japan make peace with each other after a disastrous war lasting but a few months, is again in America, but for a different reason. Then Russia was a defeated nation. Her armies fought 6,000 miles from the base of supplies, they were not well generalised, and the soldiers fought without enthusiasm. The Japanese soldiers, on the contrary, were flaming with patriotism and their generals were fully trained. There was the same marked difference in the morale of the two navies. The Russian officers were chosen from the nobility and not for their ability, and the whole naval system was honeycombed with lust and incompetence. The Japanese were finely officered and their men trained to the minute. The result on both land and sea was a foregone conclusion. Russia lost every battle and had two fleets destroyed. She was determined to fight on, but President Roosevelt proffered the good offices of this country to bring about peace. The four commissioners met in Portsmouth, as above stated, and after weeks of fruitless discussion could not come to an agreement. They were about to break off negotiations when the President intervened and induced Japan to modify her harsh terms by withdrawing the demand for a huge indemnity.

Now Baron Rosen, the proud, cultured diplomat of twenty years ago, is again in this country, not as the representative of a mighty nation, but as a fugitive from his own land, which is now given up to an orgy of murder and confiscation. He is a courteous, high-minded gentleman and could never have anything in common with bloody-minded butchers of the Lenin type.

TO SUPPRESS PAPERS SHOWING GERMANY'S GUILT

Berlin, March 24. (By Mail.)—The so-called Kautsky papers from the German Foreign Office, showing the exchange of notes that finally led to the outbreak of war in 1914, will probably not be published. The incriminating papers are no longer Kautsky papers, anyway. They are again German Foreign Office papers.

Herr Karl Kautsky has been quietly bounced by the Foreign Office, since he belongs to the Radicals and is their platform writer. In January, Kautsky, still working on the papers, went to Switzerland to attend the International Socialist conference at Berne. He was required to give an oath that he would not divulge the contents of the papers he had worked with. When Kautsky returned to Berlin after the conference, he found that the papers had been placed in other hands, and that the Foreign Office no longer spoke for publishing them. Count Rantzau, Foreign Secretary, opposed publication. Kautsky no longer had any connection with the Foreign Office.

As matters stand, though, the Foreign Office cannot ignore Herr Kautsky, who knows too much incriminating evidence. Though Kautsky could not tell what was in the Foreign Office papers, he had no objections to telling the United Press his own convictions, which he frankly admitted were strengthened by his investigations.

Kautsky is convinced of Germany's guilt in wanting and provoking the war. "We ought to publish these papers and make a

clean breast of it," he says. "It would not only show the world who is to blame, but it would show the German people how they were duped. The German people are not to blame. They have been fed with propaganda and do not realize Germany's guilt. Publishing these secret papers would set everyone right. But I doubt if the papers will be published now. The Foreign Office no longer fears the Socialists, as it did directly after the kaiser's overthrow.

"To me the most interesting feature of the papers was the notations made by the kaiser in the margins as he read documents. It is enlightening. The kaiser, the military leaders and government heads at the time war broke out are directly responsible for the war, and sought it when they could have prevented it."

Asked regarding Russia's share in starting the war, Kautsky said definitely: "Russia is not responsible for the war. Before hostilities broke out the czar sent a telegram to the kaiser pleading that the whole matter be laid before The Hague tribunal. The telegram was received, but never answered, though there was time to answer it before relations were broken. It was ignored and war started."

Kautsky thinks Ludendorff's head should be heaped with blame for the policy of the war. Ludendorff was the advocate of frightfulness who convinced the government, along with the kaiser, to agree on the submarine war. Hindenburg is not so guilty, according to Herr Kautsky, because Hindenburg was merely a soldier, and never entered politics.

Frau Kautsky, who helped her husband in his Foreign Office investigations, enjoys the distinction of being the first woman ever to serve in the Foreign Office. The employees, from the lackeys to the state secretary, were aghast and held aloof when Herr Kautsky brought her to the office to receive his guests.

BURIED GOLD IN POLAND

London, March 28. (By Mail.)—Russian Poland is a land of hidden treasures. A colossal amount of gold and silver lies hidden in Polish soil, according to latest arrivals here from Warsaw. It was placed there by peasants and land-owners when the German invasion began.

Much of the buried treasure was lost when Germans cleared Poland's woods. Marked trees, used to designate the location of the precious buried metal, were chopped down and taken to Germany to be used in making aeroplanes. Then they blew up the stumps.

The Poles obtained the gold when the Russians began their retreat before the German onslaught. As they left, they paid the Poles in gold and silver for supplies. When the Germans came they proceeded to seize all the gold and silver, but they no more than got a start when it all seemed to miraculously disappear.

PURELY A CITIZENS' MEETING

Norton C. Wells, president of the Greater Glendale Development Association, says that after calling the mass meeting to order at the high school this evening he will state the object for which the meeting was called and then turn the meeting over to those present to organize as they see fit. It will be purely a citizens' meeting.

BIRTHDAY CELEBRATED

Miss Mildred McKee, daughter of Mr. and Mrs. E. S. McKee, was hostess at a pretty party given in celebration of the fourteenth birthday of her cousin, Margery Gunion, Monday evening, at the McKee home. Music, dancing and games furnished the diversions of the evening and the chief feature of the refreshments were birthday cakes bearing the candlesticks that were used on the golden wedding cake of the grandmother of the celebrant. The guest list included: Marie Hearnshaw, Cecil Chase, Dorothy Daub, Gordon Kingsley, Fred Kennedy, Burton Kuntzner, Francis Lore, Martelle McKee, Edward Clanin. The young people had a gloriously good time.

COLORED FOLKS TONIGHT

Colored folks are not only great lovers of music but they can sing and play to the great delight of white people.

Tonight at the Glendale Congregational Church, the choir of the Lincoln Memorial Congregational Church, colored, of Los Angeles, will render a number of musical numbers. Rev. E. E. Lightner, the pastor of that church, says he will bring from four to eight of his choir with him. The Eastertide services are being continued this week.

Rev. James Hamilton Lash, the pastor of the Hollywood Congregational Church, will speak tonight on "The Spirit of Sacrifice." Mr. Lash is one of the best known of the Congregational preachers of Southern California. He will have a great message tonight.

The attendance at these services has constantly increased and much interest is being manifested.

Sunday Dr. Willisford had the privilege of speaking to an unusually large and appreciative audience. The sermon on "The Spirit of Victory" is said to be one of remarkable strength and force. The hearers were tremendously impressed, inspired and uplifted. The church was most appropriately and beautifully decorated with palms and flowers.

Easter Sunday is being joyfully anticipated with reception of members, and communion in morning, and the cantata in the evening.

THE BORDER LAND

"Life in the Border Country" was the topic on which Rev. Charles H. Scott spoke at the Easter week revival services which are being held in the lecture room of the First Methodist Church. "No Man Can Serve Two Masters" was the text. The Scottish Border tales and the history of Alsace and Lorraine, he said, are testimonies to the difficulties of living on the border between contending governments. He then pointed out the border country between righteousness and evil which, he declared, is beset by all the perils which characterize the geographical border. Chief among these are the distance from the center of power, the conflict of authority and danger of crossing over into the enemy's land.

Mr. Scott will speak again tonight and tomorrow night. James Jones, the railroad preacher, is the chief speaker, however, and everybody is invited.

OUR DAY OF VISITATION

The pre-Easter services at the Central Christian Church started off last night with a powerful sermon on "Is This Our Day of Visitation?" Seven slides of famous paintings were shown on the stereopticon, showing the triumphal entry of Jesus and scenes of the last supper. Tonight the subject is "In the Shadow of the Cross" and 12 slides will be shown. A great song service precedes each meeting, led by Mr. Solt. Tonight it is hoped to commence services at 7:30, so as many of the audience as so wish can go to the mass meeting in the High School Auditorium. Pastor Cole and his congregation are entering heart and soul into this project of a fitting memorial to the boys who served.

GOD IS

It has truly been said: "There are scores of religions but one Christianity," the one Christ Jesus taught and demonstrated.

Of Himself, Jesus said: "I am the way, the truth, and the life: No man cometh unto the Father, but by me."

He also said: "If ye continue in My word—ye shall know the truth, and the truth shall make you free," and, "He that believeth on Me, the works that I do shall he do also."

Now Christian Science is the truth that makes free. It is the exact restatement of the teaching and practice of Jesus, and we are told in the Manual of the Mother Church by Mrs. Eddy (p. 17) that the Christian Science Church was established to "reinstat primitive Christianity and its lost element of healing."

We know that those who turn to Christian Science for help are not left in the midst of sorrow, sickness and sin with nothing more definite and dependable for their defense than blind faith in an unknown and unknowable God; but on the contrary this Science of Christianity based as it is on the teachings of the Master, is found to be a practical, demonstrable religion for all men and nations at all times and under all circumstances.

Those who have studied Christian Science have found, in the application of its teachings to their daily life, a measure of freedom not only from the fear of disease, but from the dread of the grave; not only from the belief in heredity but also from the bondage to sinful lusts and false appetites.

Christian Scientists have no time to waste in idle talk, condemning or fault-finding of other churches, for they have their daily Bible lesson to study and unfold which brings

"On earth peace, good will toward all men."

This song is being sung and is heard by thousands who through Christian Science are finding the fulfillment of Jesus' promise:

"I am come that they might have life, and that they might have it more abundantly."

When Christian Science found the writer, here in Glendale, over twenty years ago, she was a physical wreck, given up by the best and kindest of physicians, who had done everything known to Materia Medica. Her church people comforted her by saying, "It is God's will." Then and not till then was the little book, Science and Health with Key to the Scripture, by Mary B. Eddy, taken from her book shelf where it had laid for a year, by a good Methodist friend, saying: "Lay your religious scruples on the shelf, they never did you any good, this book has healed hundreds and it will heal you." The little book was read to her and she learned the Truth and was free.

In order to understand Christian Science quickly, a clear line must be drawn between the eternal and temporal, the immortal and the mortal, the infinite and the finite, the spiritual and the material, the real and the unreal.

LIBERTY LOAN INFORMATION

Assistant Secretary of Treasury R. C. Leffingwell has issued an official statement giving a summary of the possible exemption from surtaxes, excess-profits and war-profits taxes of the Liberty Loan Bonds now outstanding, leaving out of consideration the 3 1/2% bonds of the First Liberty Loan. Mr. Leffingwell says:

Until the enactment of the Victory Liberty Loan Act the total possible holdings of Liberty Bonds exempt from surtaxes and excess-profits taxes were as follows:

\$5,000 in the aggregate of First 4s, First 4 1/4s (issues of May 9, 1918, and October 24, 1918), Second 4s and 4 1/4s, Third 4 1/4s, Fourth 4 1/4s, Treasury Certificates, and War Savings Certificates.

\$30,000 of First 4 1/4s (issue of October 24, 1918, only), until the expiration of two years after the termination of the war.

\$30,000 of Fourth 4 1/4s, until the expiration of two years after the termination of the war.

\$45,000 in the aggregate of First 4s, First 4 1/4s (issue of May 9, 1918, only), Second 4s and 4 1/4s, and Third 4 1/4s, as to the interest received after January 1, 1918, until the expiration of two years after the termination of the war,—this exemption conditional on original subscription to, and continued holding at date of tax return of, two-thirds as many bonds of the Fourth Liberty Loan.

\$110,000 Total possible exemptions, subject to conditions above summarized.

Under the terms of Section 2 (a) of the Victory Liberty Loan Act, the following additional exemption becomes immediately effective, and is independent of any subscription to the Victory Liberty Loan:

\$30,000 in the aggregate of First 4s, First 4 1/4s (issues of May 9, 1918, and October 24, 1918), Second 4s and 4 1/4s, Third 4 1/4s, and Fourth 4 1/4s, as to the interest received on and after January 1, 1919, until the expiration of five years after the termination of five years after the termination of the war.

Under the terms of Section 2 (b) of the Victory Liberty Loan Act, the following additional exemption is provided, conditional upon original subscription to, and continued holding at the date of the tax return of one-third as many notes of the Vic-

tory Liberty Loan, and extending through the life of the notes of the Victory Liberty Loan instead of expiring five years after the termination of the war:

\$20,000 in the aggregate of First 4s, First 4 1/4s (issues of May 9, 1918, and October 24, 1918), Second 4s and 4 1/4s, Third 4 1/4s, as to the interest received on and after January 1, 1918.

TIME OF TROUBLE

REV. B. E. BEDDOE POINTS TO
THE FULFILLMENT OF BIBLE PROPHECY

That the coming of peace is not the beginning of the millennium, but that the world is now stepping its feet into a time of great distress, which is indeed that time of trouble spoken of by Daniel, the prophet, in the twelfth chapter and first verse, was the declaration of Pastor B. E. Beddoe, field secretary of the Sabbath School Department of the General Conference of the Seventh-Day Adventists, in a discourse at the Glendale Seventh-Day Adventist Church, Wilson and Isabel streets, last Saturday morning.

Saturday was the first time for several months that Mr. Beddoe has spoken in the pulpit, he having returned to Glendale from the East to rest and recuperate his strength following a tussle with the influenza. The sermon was of exceptional interest, in that he described conditions on the Atlantic Coast as he saw them or learned of them from conversation with eye witnesses. He told of the ravages of the influenza scourge, which was more severe there than in the West, in some cases compelling the use of trench-digging machines in the grave-yards. He spoke also of the Halifax holocaust, whose terrible realities he came in contact with while attending camp-meetings in Eastern Canada.

Mr. Beddoe also called attention to the Bolshevism now sweeping Russia and other parts of the Old World, and to the unrest and confusion increasing to such an extent that men's hearts begin to fail "for fear, and for looking after those things which are coming on the earth."

The warnings of Revelation 14:6-11 and Revelation 18:1-6 are timely and important, he said, declaring that the hour of God's judgment has come, and warning all to worship the Creator of all things. God is now giving a mighty message to the world, said the speaker, and when the cloud of trouble which has settled over the earth is at last lifted, there will be found those who have been true to God. Mr. Beddoe pointed his hearers forward to the time, which he said is not far distant, when Christ Himself will come, and when sorrow will be at an end.
